

Oxyzone S10 Silver Hospitality

An environmentally-friendly, chemical free, high-tech housekeeping aid for busy hospitality providers. Modern and stylish in design, the S10 Silver Hospitality all stainless steel construction with microcomputer technology is the ideal ozone unit for any hotel, motel or function centre.

The S10 Silver Hospitality is perfect for use by cleaning staff in motel rooms or cabins.

Quick and Easy Operation

Simply select the run time you want and press run. The ozone generator operates until the time is complete and waits for you to move it to the next room and press run again. It remembers the last setting, it's that simple.

Electrically safe and compliant with Australian wiring and emission (Ctick) standards, this generator is fitted with a cover safety interlock for your added protection. All features are built in so there are no additional costs.

The simple press and walk away countdown operation is perfect for use by cleaning staff in motel rooms or cabins.

Perfect for many applications:

- Motel Rooms & Cabins - Remove unpleasant odours and sanitise the room.
- Function Areas - Remove unpleasant odours.

Remove odours from drying carpets, freshly painted rooms, covered rubbish areas and from rooms that have been subject to trauma or sickness.

100% Australian Made and Manufactured

Oxyzone products are designed and manufactured in Australia to comply with electrical and safety standards. Our service personnel and our spare parts are also in Australia.
